THE UNI.ASIA GENERAL QUARTERLY

Celebrating
30 Years
of excellence

CEO's message

People power

This issue is all about the power of people – our business partners, our agents, our customers and our staff who have been with us for the past 30 brilliant years. It is about the very people who keep us growing from strength to strength, so we can attain new heights of success and keep the Uni.Asia General Insurance Berhad brand shining bold and bright.

We are grateful to our business partners in particular for their hand in helping chart the success of our company. As a gesture of thanks, they were guests of honour at a special cocktail party we organised for them recently. It is featured in this issue so do give it a read.

It is true that a company is only as good as the people who work for it. Our staff are no exception - innovative, enterprising and creative. They don't just work hard, they play hard too. Read about their outstanding achievements during our recent bowling tournament and how they partied the night away during their annual dinner.

Since we are on the subject of 'people', our customers deserve a special mention too. As a show of thanks to them, Uni.Asia General Insurance Berhad is spreading the joy of its 30th Anniversary by launching a special programme with AutoStar. With 19 merchants happy to participate, we hope our customers will jump at this opportunity to enjoy fantastic discounts, promotions and privileges apart from the privileges they already enjoy as AutoStar customers.

And now we come to the all-important people who are out there in the field everyday selling the Uni.Asia General Insurance Berhad brand - our agents. All the work we do strategising and implementing support services would come to naught if our agents were not out there rain or shine, turning our plans and strategies into direct sales.

It is fitting at this juncture to thank everyone for coming together as one to make Uni.Asia General Insurance Berhad an outstanding brand today. Thank you for your hard work, your vision for success and your overwhelming support to this company for the past 30 years.

We will continue to focus on the people who are the lifeblood of our organisation. I wish everyone *Selamat Berpuasa* and *Selamat Hari Raya Aidilfitri*. Till we meet again.

Yours sincerely,

Hashim Harun
Chief Executive Officer/Managing Director
